ARLV Emergency Transfer Protocol

In emergency situations stabilizing patient per physician directions takes precedence over any other task.

When directed by physician, receptionist, circulating nurse or whoever is so directed calls **911** and requests immediate ambulance transport to either Southern Hill Hospital or St. Rose Dominican Hospital, San Martin Campus.

Receptionist calls appropriate hospital and informs them of impending transfer:

Southern Hills Hospital and Medical Center
9300 W Sunset Road
Las Vegas, NV 89148
(702) 880-2100; Direct ER: (800) 880-2800

St. Rose Dominican Hospital, San Martín Campus
8280 West Warm Springs Road
Las Vegas, NV 89113
(702) 492-8000 request connection to ER

Receptionist copies H&P, lab, ECG, and anesthetic record.

Physician completes emergency transfer sheet.

Receptionist bundles all the above and gives to paramedics.

Receptionist calls ER at designated hospital and requests either ER nurse or ER physician to talk to our physician and confirms IPC as our preferred provider group if admission is required.

Receptionist calls InPatient Consultants of Nevada (IPC): (702) 224-2555 and alerts them to possible admission and asks their covering physician to contact our physician.

Physician or his designate keeps family/representative of patient informed as to patient status and transfer plans.
