Instructions and Information

Our goal in this document is to outline the creation of a workflow that allows all relevant parties to track the remains of decedents who have consented to have those remains used for research and training purposes by the Nevada System of Higher Education. This process will not apply to outside educational institutions or other donation organizations.

Complete all Sections on the Form

1. Fill out the Personal Data on the Decedent
2. Fill out the Original Location and New Location Sections
3. Ensure all Required Signatures are completed:
    - Funeral Director
    - Nevada Higher Education Representative
    - Funeral Representative Transporting the Decedent
4. Email the completed permit to your Local Registrar at OVRFH@health.nv.gov

Funeral Home

The funeral home that picks up the body will be responsible for transporting the body to the research facility, making certain the Temporary Research Disposition form is filled out properly and that it is signed by a licensed Funeral Director and uploaded into the record created within 24 hours of death or discovery of the body, per NRS 440.540. They will also be responsible for marking NV Higher Ed Disposition Complete as “Yes” when the body moves to its final disposition. The presence of the permit does not in any way change the legal requirements prescribed in NRS.

Nevada Higher Ed Research Institutions

Will be assuming temporary custody of the body and will be responsible for it for the duration of its temporary disposition they will also be responsible for alerting the funeral home when that temporary disposition has ended.

If you have any questions, please feel free to contact the Nevada State Office of Vital Records at (775) 684-4242 or email at OVRFH@health.nv.gov
